

# CROW RUNNER 16 WIRELESS ALARM KIT

## ARE YOU, YOUR FAMILY & VALUABLES SECURE?

Increasing your home security can also take \$\$\$\$'s off your insurance premiums. Wireless Alarms are the future, either self monitoring or back to base. Move house, unplug, unscrew & take the unit with you to your next place of residence.

The new Crow Wireless Alarm Kit can be installed by Rivercity Locksmiths Today who are your Crow experts and can, in next to no time, and with the flick of a switch be protecting you, your family and your valuables.

Have the Crow 298 fully installed in your premises for only \$1195.00.

### This system includes:

- 1 x Stylish LCD Control Panel
- 2 x Wireless Remote Units
- 2 x Wireless PIR's (Passive Infrared sensor)
- 1 x Wireless Outdoor Strobe and Siren

### Features and Functions:

- Wireless 8/16 zones
- Up to 100 users & 80 remotes
- Easy rolling menu for fast programming
- 2 true partitioned areas with separate arming
- Access control capabilities with hardwired readers
- User friendly programming and operation

### Also Add:

- Extra PIR's
- Panic & night alarming module
- Up to 7 keypads
- Wireless smoke & heat protectors
- Wireless glass breakage sensor
- Wireless vibration sensor
- Wireless magnetic sensor
- Wireless 360 PIR detector
- Extra remotes

No need to buy expensive monitored systems when you can self monitor with a message to your phone, or, for those who are conscious about having a monitored system, the Crow can also be set up as a back to base system giving you the full security that you need.
